Get involved with our students. Get involved with our school.

Newsletter Elective Opportunity

Do you have any writing experience? Looking for a way to get involved at Drummond? Why not volunteer to help students in the Newsletter Elective class?

Our PTO Newsletter offers Middle School students the opportunity to report happenings in the Drummond community while developing writing skills. This project is completely funded by the PTO and offers students a unique opportunity to document the school year.

Check out the Newsletter Elective schedule for this semester and find time to inspire, teach and support our students & our school!
